

# ***F&PA MEMBER WINS FIVE AWARDS!***

*F&PA members Indoor Garden Design have had a very successful 2005 having won not one but five prestigious interior landscaping awards.*

This innovative company supplying interior and exterior plant displays is based in Highgate, North London and prides itself on providing a high quality service to its clients including the Bank of England, BBC TV, Marks & Spencer and Harrods to name but a few!

But it was their designs for the Royal Bank of Scotland's Birmingham office (pictured right) that won them a BALI (British Association of Landscape Industries) award in November for best interior landscape installation. This topped off their previous four eFIG (European Federation of Interior Landscaping Groups) awards for various installations which included three gold awards.

The services that IGD offers extends to Christmas displays, exterior installations, retail window displays and contract floristry.
